Business & Residential:	Friday, March 25, 2022	11:00 am – 5:00 pm

- Survey Area:

Samples for businesses were taken from areas close and then worked out from there. Residential areas were sampled from the site. See attached map.

- Circulators of the Survey: There was one circulator for this survey. Prior to the start of the survey, the circulator was briefed on the type of liquor license application, the areas to be surveyed and reminded to be completely unbiased in their approach to residents and businesspeople. The circulator had with them a face sheet with the applicant business name, location and hearing information, instructions, and the petition/survey issue along with signature sheets and a map of the proposed location. The circulator used tally sheets to record all contacts, attempts and reasons for opposition signatures and refusals. After the survey, the circulator signed notarized affidavits of circulation. All packets were turned into Firestone Town Clerk's office.
